

Residential Natural Gas Dryer Rebate Program

Rebates Available:

- \$225 for the purchase and installation of a new natural gas dryer with a moisture sensor.
- \$300 for the installation of a new natural gas dryer stub connection.

How to Get Your Rebate:

1. Review program eligibility and requirements.
2. Purchase and install a new natural gas dryer with a moisture sensor and/or hire a licensed contractor to install a new natural gas dryer stub.
3. Installer must comply with manufacturer's instructions as well as all applicable state and local safety and code requirements.
4. Apply online or submit your completed application, dryer purchase receipt and/or installation invoice within 180 days of installation to:

If you have questions, please email EnergyEfficiency@TexasGasService.com or call 512-370-8256.

Rebate Requirements:

- Incomplete applications may result in prolonged processing or denial.
- The rebate is for the purchase and installation of a new natural gas dryer containing a moisture sensor and/or a new natural gas dryer stub in an existing residential home. If the home is new, it may qualify for the New Residential Construction Rebate Program.
- Natural gas dryer stub installation must be completed by a licensed contractor.
- All applicable local or state required permits and codes must be obtained and adhered to in order to maintain rebate eligibility.
- The customer is responsible for all costs associated with the purchase and installation of the natural gas dryer and/or natural gas dryer stub.

Eligibility:

- The rebate is available to active Texas Gas Service residential accounts within the city limits of Austin, Bee Cave, Cedar Park, Cuero, Dripping Springs, Gonzales, Kyle, Lakeway, Lockhart, Luling, Nixon, Rollingwood, Shiner, Sunset Valley, West Lake Hills and Yoakum with a base gas service rate code of ABIA I/S, AUST I/S, BEEC I/S, CDPK, CUER I/S, DRIP I/S, GONZ I/S, KYLE I/S, LAKE I/S, LOCK I/S, LULI I/S, NIXO I/S, ROLL I/S, SHIN I/S, SUNV I/S, WLHS I/S and YOAK I/S.
- Eligibility can be checked by reviewing the top part of your bill for your RATE CODE. If you still have questions, please contact Texas Gas Service at 512-370-8256 before proceeding with your purchase or installation.
- To be eligible for a rebate, the customer must have an active Texas Gas Service account.
- Customers are eligible for the natural gas dryer rebate **once every three years**. Texas Gas Service will reference the customer's last recorded natural gas dryer rebate to determine eligibility.

Important Information:

Rebates are limited and issued on a first-come, first-served basis until program funds are depleted. Texas Gas Service encourages each customer to review all program eligibility requirements. Rebate payments will be issued approximately six to eight weeks after approval, subject to availability of program funds.
