6. Terms and Conditions

As you decide whether to participate in Texas Gas Service's Energy Efficiency Program, please review the following terms and conditions:

1. Texas Gas Service is not responsible for any decision regarding the selection of equipment to qualify for rebates under our Energy Efficiency Program. TEXAS GAS SERVICE DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY CONCERNING THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE FOR ANY EQUIPMENT CHOICE THE CUSTOMER MAKES. The customer is responsible for the full cost and installation of any equipment.

2. Texas Gas Service is not responsible for any decision about which licensed and qualified contractor the builder selects. Texas Gas Service encourages its customers to carefully research and select a Texas-licensed plumber or heating, ventilation and air-conditioning (HVAC) contractor to install qualifying equipment. Texas Gas Service is not

responsible for any damage caused (a) when a contractor enters a customer's premises or during installation, (b) by poor workmanship or (c) by failure to complete projects. Texas Gas Service will not intervene in disputes between a customer and his or her selected contractor. Texas Gas Service also strongly encourages participating customers to be sure any installation conforms to all applicable codes, permit requirements and manufacturer installation recommendations and requirements. Texas Gas Service is not responsible for determining whether a customer's appliances are installed correctly or safely. In the event you believe an appliance is unsafe or you detect the odor associated with natural gas, you agree to immediately call (800) 959-5325.

3. The Department of Energy and others provide information on projected energy savings for different types of appliances and installations. Texas Gas Service makes no warranty concerning the accuracy of this information or whether the devices the customer selects will accomplish the projected energy and cost savings.

4. Texas Gas Service requires each customer to present a completed rebate application and is unable to process incomplete applications. Applications and additional information are available at TexasGasService.com/RGVRebates. Texas Gas Service reserves the right to verify all information provided. Texas Gas Service issues rebates in the form of checks, not utility credits. The Company is not responsible if the dealer/installer or retailer fails to provide accurate information about the amount of a rebate or eligibility. Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds.
