## 4. Attach Proof of Purchase

Please include a copy of an itemized receipt and/or invoice with your application. Your retailer or contractor can provide this document for your qualified product. Any applications missing this will be delayed or denied.

### Proof of purchase must include the following:

- Retailer/Contractor name, address and phone number
- Itemized listing of quantity, description, manufacturer, model number and other identifying information as appropriate
- Purchase date and price

## 5. Review and Submit Your Application

Mail completed application(s) along with required documentation within 90 days of installation or service to:

**Texas Gas Service Conservation Program**  
**5613 Avenue F**  
**Austin, TX 78751**

Rebate checks are issued within approximately six to eight weeks of a completed and approved rebate application.

## 6. Terms and Conditions

As you decide whether to participate in Texas Gas Service's Conservation Program, please review the following terms and conditions:

1. Texas Gas Service is not responsible for any decision regarding the selection of equipment to qualify for rebates under our conservation programs. TEXAS GAS SERVICE DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY CONCERNING THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE FOR ANY EQUIPMENT CHOICE THE CUSTOMER MAKES. The customer is responsible for the full cost and installation of any equipment.
2. Texas Gas Service is not responsible for any decision about which licensed and qualified contractor the customer selects. Texas Gas Service encourages its customers to carefully research and select a Texas licensed plumber or heating, ventilation and air-conditioning (HVAC) contractor to install qualifying equipment. Texas Gas Service is not responsible for any damage caused (a) when a contractor enters a customer's premises or during installation, (b) by poor workmanship or (c) by failure to complete projects. Texas Gas Service will not intervene in disputes between a customer and his or her selected contractor. Texas Gas Service also strongly encourages participating customers to be sure any installation conforms to all applicable codes, permit requirements and manufacturer installation recommendations and requirements. Texas Gas Service is not responsible for determining whether a customer's appliances are installed correctly or safely. In the event you believe an appliance is unsafe or you detect the odor associated with natural gas, you agree to immediately call 800-458-4251.
- Some rebates REQUIRE the use of a licensed contractor and a City of Austin permit. These programs include; bonus water heater conversion rebate program, high-efficiency water heater rebate program, hydronic heating rebate program, solar water heater with natural gas backup rebate program, tankless or super high-efficiency rebate program, natural gas vehicle home refueling unit rebate program, natural gas furnace rebate program. The contractor's license number and a completed City of Austin permit number is REQUIRED on these applications. Rebates WILL NOT be paid if applications are incomplete.
3. The Department of Energy and others provide information on projected energy savings for different types of appliances and installations. Texas Gas Service makes no warranty concerning the accuracy of this information or whether the devices the customer selects will accomplish the projected energy and cost savings.
4. Texas Gas Service requires each customer to present a completed rebate application and is unable to process incomplete applications. It is the responsibility of the customer to ensure the contractor has completed and signed the application. Applications and additional information are available at [www.TexasGasService.com](http://www.TexasGasService.com). Texas Gas Service reserves the right to verify all information provided. Texas Gas Service issues rebates in the form of checks, not utility credits. The Company is not responsible if the dealer/installer or retailer fails to provide accurate information about the amount of a rebate or eligibility. Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds.
5. This program is available to residential and commercial customers located within the Austin, Sunset Valley, Cedar Park, Kyle, Rollingwood and West Lake Hills city limits with a base gas service rate code of Austin I/S, Sunset Valley I/S, ABIA I/S, Roll I/S, WLHS I/S, Kyle I/S, CDPK I/S. Only qualified, natural gas equipment purchased, installed or serviced after July 1, 2011, will be considered for a rebate. Texas Gas Service encourages each customer to review all program eligibility and requirements.
6. Completed rebate applications will be reviewed and processed by Texas Gas Service on a first-come, first-served basis until program funds are depleted. Rebate qualifications and amounts are subject to change. Rebate funds are limited. Funding guidelines for these programs may be changed or discontinued at any time without notice. Please check program website for updates at [www.TexasGasService.com](http://www.TexasGasService.com).
7. This Agreement constitutes and represents the complete and entire agreement between the customer and Texas Gas Service with respect to the subject matter contained herein, and supersedes any prior and contemporaneous agreements, arrangements and understandings of the Parties, whether written or oral, which are hereby terminated and of no further force and effect. The terms of this Agreement may not be altered, modified or supplemented except by a writing signed by each of the Parties.

## 7. Acceptance of Terms

I hereby certify that all information is accurate, including claims of customer and equipment information. My signature below indicates I have read, understand and agree to all terms and conditions on this application and acknowledge that Texas Gas Service may verify all the information provided.
