

Natural Gas Dryer Rebate Programs

Rebates Available:

- \$225 for the purchase and installation of a new natural gas dryer with a moisture sensor.
- \$300 for the installation of a new natural gas dryer stub connection in the laundry area of the home (where a natural gas dryer stub did not previously exist).

How to Get Your Rebate:

1. Review program eligibility and requirements.
2. Purchase and install new natural gas dryer with a moisture sensor or hire a licensed contractor to install a new natural gas dryer stub.
3. Installer must comply with manufacturer's instructions as well as all applicable safety and code requirements.
4. Send the completed application, copy of the company's most recent W-9 Form, completed Texas Gas Service Energy Efficiency Program Rebate Setup Form, dryer purchase receipt and installation invoice within 180 days after the final home inspection/Certificate of Occupancy date (COO) to:

Texas Gas Energy Efficiency Program
1301 S. MoPac, Suite 400
Austin, TX 78746

If you have questions, please email EnergyEfficiency@TexasGasService.com or call 512-370-8256.

Rebate Requirements:

- Incomplete applications may not be honored.
- The rebate is for the purchase and installation of a new natural gas dryer containing a moisture sensor in a new residential home or for the installation of a new natural gas dryer stub in the laundry area of a new residential home.
- Natural gas dryer stub installation must be completed by a licensed contractor.
- All required permits must be obtained or the stub installation will not be eligible for a rebate.
- The applicant/builder is responsible for the full cost and installation of the new natural gas dryer or natural gas dryer stub.

Eligibility:

- This program is available to builders building new residential homes within the city limits of Austin, Bee Cave, Cedar Park, Cuero, Dripping Springs, Gonzales, Kyle, Lakeway, Lockhart, Luling, Nixon, Rollingwood, Shiner, Sunset Valley, West Lake Hills and Yoakum with a base gas service rate code of ABIA I/S, AUST I/S, BEEC I/S, CDPK, CUER I/S, DRIP I/S, GONZ I/S, KYLE I/S, LAKE I/S, LOCK I/S, LULI I/S, NIXO I/S, ROLL I/S, SHIN I/S, SUNV I/S, WLHS I/S and YOAK I/S.
- To check your rebate eligibility, check the top part of your bill for your RATE CODE. If you still have questions, please contact Texas Gas Service at 512-370-8256 before proceeding with your purchase or installation.
- To be eligible for a rebate, the builder must have established an active Texas Gas Service account in the builder's name at the installation address.
- Customers are eligible for the natural gas dryer rebate once every three years. Texas Gas Service will reference the customer's last recorded natural gas dryer rebate to determine eligibility.

Important Information:

Rebates are limited and issued on a first-come, first-served basis until program funds are depleted. Texas Gas Service encourages each customer to review all program eligibility requirements. Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds.
