Before filling out your rebate application, please carefully review all requirements and the checklist below to help expedite the approval process. Rebate applications must be submitted within 180 days of equipment purchase or installation.

**INCOMPLETE APPLICATIONS MAY BE DELAYED OR DENIED.**

You have two options for submitting your rebate application:

**Email (Faster processing)**
Scan and send your signed application and required documentation to Conservation@TexasGasService.com

Mail
Mail your signed application and required documentation to:
Texas Gas Service Energy Efficiency Program
1301 S. MoPac, Suite 400
Austin, TX 78746

Rebate checks will be mailed approximately six to eight weeks after application approval, subject to availability of program funds. For general questions, email Conservation@TexasGasService.com or call 512-370-8256.

When submitting a rebate application, YOU MUST INCLUDE:

- Final inspection/COO date of each home. This date is when the 180-day deadline to submit the application begins.
- Purchase order or invoice showing proof of purchase of the new appliance or stub-out. Appliance cannot be previously owned or used.
- A copy of your company’s most recent W-9 form.

Check to make sure that:

- The homes you are building are located inside the city limits of Austin, Bee Cave, Cedar Park, Cuero, Dripping Springs, Gonzales, Kyle, Lakeway, Lockhart, Luling, Nixon, Rollingwood, Shiner, Sunset Valley, West Lake Hills or Yoakum and that the natural gas bill lists one of the following rate codes: ABIA I/S, AUST I/S, BEEC I/S, CDPK I/S, CUER I/S, DRIP I/S, GONZ I/S, KYLE I/S, LAKE I/S, LOCK I/S, LULI I/S, NIXO I/S, ROLL I/S, SHIN I/S, SUNV I/S, WLHS I/S or YOAK I/S.
- The Texas Gas Service account for each address is originally set up in the builder’s name.
- You are submitting the application within 180 days of the final inspection/Certificate of Occupancy site listed on the city’s website or provided by city of officials.
- You have provided contractor information (Section 2) and signed the Acceptance of Terms (Section 7).
- You have included a copy of your company’s most recent W-9 form.
- Installed equipment meets the minimum efficiency and specific eligibility requirements for the rebate. We urge you to review the specific “Learn More” forms prior to rebate submission at TexasGasService.com/Rebates.
- You have filled in all requested information on the rebate application in addition to attaching purchase orders or invoices (with pricing blacked out) showing proof of purchase or installation of stub-outs.
- If you cannot attach purchase orders or invoices, please contact Texas Gas Service to schedule a visual inspection on at least 10% of the units you are submitting PRIOR to the homes being occupied. Appliances just need to be set (and not active) in order for Texas Gas Service to conduct the preliminary visual inspection.
1. **Builder and Account Information**

   Builder Name: ___________________________  Tax ID Number ___________________________
   (As it appears on account)

   Development Name: ___________________________

   Mailing Address: ___________________________

   City: __________________  State: _______  ZIP: ___________________________

   Email: ___________________________

   Daytime Phone: (________) ___________  Evening Phone: (________) ___________________________

2. **Contractor Information**

   Licensed Contractor Company Name: ___________________________

   Licensed Contractor Name: ___________________________

   License Number: ___________________________

   Company Address: ___________________________

   City: __________________  State: _______  ZIP: ___________________________

   Email (preferred): ___________________________  Phone: (________) ___________________________

   Contractor’s Signature: ___________________________  Date: ___________________________

3. **Energy Efficiency Program Rebates**

   If applying for rebates at multiple installation addresses (such as multiple homes in a new development), fill out this page for each installation address or email Conservation@TexasGasService.com and request a copy of the volume builder spreadsheet. To be eligible for rebates, each installation address must have an active Texas Gas Service account in the builder’s name.

   Installation Address: ___________________________

   City: __________________  State: _______  ZIP: ___________________________

   Final Home Inspection/Certificate of Occupancy (COO) Date: ___________________________

   Texas Gas Service Account Number: ___________________________
   *(Required)*
To check your rebate eligibility, check the **TOP PART OF YOUR BILL** for your **Rate Code**.

* Customer signature and receipts required for rebate (see sections 4 and 7)

4. Attach Proof of Purchase

Please include a copy of an itemized receipt and/or invoice with your application. Your retailer or contractor can provide this document for your qualified product. Any applications missing this will be delayed or denied.

Proof of purchase/installation must include the following:
• Retailer/Contractor name, address and phone number
• Itemized listing of quantity, description, manufacturer, model number and other identifying information as appropriate
• Purchase date

5. Review and Submit Your Application

Scan and email your signed application and receipts to Conservation@TexasGasService.com

OR

Mail completed application(s) along with required documentation to:
Texas Gas Service Energy Efficiency Program
1301 S. MoPac, Suite 400
Austin, TX 78746

Rebate checks are issued within approximately six to eight weeks after receipt of a completed and approved rebate application.

6. Terms and Conditions

As you decide whether to participate in Texas Gas Service’s Conservation Program, please review the following terms and conditions:

1. Texas Gas Service is not responsible for any decision regarding the selection of equipment to qualify for rebates under our Conservation Programs.

   TEXAS GAS SERVICE DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY CONCERNING THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE FOR ANY EQUIPMENT CHOICE THE CUSTOMER MAKES. The customer is responsible for the full cost and installation of any equipment.

2. Texas Gas Service is not responsible for any decision about which licensed and qualified contractor the builder selects. Texas Gas Service encourages its customers to carefully research and select a Texas-licensed plumber or heating, ventilation and air-conditioning (HVAC) contractor to install qualifying equipment. Texas Gas Service is not responsible for any damage caused (a) when a contractor enters a customer’s premises or during installation, (b) by poor workmanship or (c) by failure to complete projects. Texas Gas Service will not intervene in disputes between a customer and his or her selected contractor. Texas Gas Service also strongly encourages participating customers to be sure any installation conforms to all applicable codes, permit requirements and manufacturer installation recommendations and requirements. Texas Gas Service is not responsible for determining whether a customer’s appliances are installed correctly or safely. In the event you believe an appliance is unsafe or you detect the odor associated with natural gas, you agree to immediately call (800) 959-5325.

3. The Department of Energy and others provide information on projected energy savings for different types of appliances and installations. Texas Gas Service makes no warranty concerning the accuracy of this information or whether the devices the customer selects will accomplish the projected energy and cost savings.

4. Texas Gas Service requires each customer to present a completed rebate application and is unable to process incomplete applications. Applications and additional information are available at TexasGasService.com/Rebates. Texas Gas Service reserves the right to verify all information provided. Texas Gas Service issues rebates in the form of checks, not utility credits. The Company is not responsible if the dealer/installer or retailer fails to provide accurate information about the amount of a rebate or eligibility. Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds.

5. This program is available to builders building new residential homes inside the city limits of Austin, Bee Cave, Cedar Park, Cuero, Dripping Springs, Gonzales, Kyle, Lakeway, Lockhart, Luling, Nixon, Rollingwood, Shiner, Sunset Valley, West Lake Hills and Yoakum with a base gas service rate code of ABIA I/S, AUST I/S, BEEC I/S, CDPK I/S, CUER I/S, DRI P I/S, GONZ I/S, KYLE I/S, LAKE I/S, LOCK I/S, LUL I/S, NIXO I/S, ROLL I/S, SHIN I/S, SUNV I/S, WLHS I/S and YOAK I/S. Applicants have 180 days from final inspection to submit the rebate application. Please review the Texas Gas Service Checklist for New Construction Rebate Applications and Learn More Forms for details on rebate application deadlines prior to purchase of appliance or installation. See program guidelines for specific details. Texas Gas Service encourages each customer to review all program eligibility and requirements.

6. Completed rebate applications will be reviewed and processed by Texas Gas Service on a first-come, first-served basis until program funds are depleted. Rebate qualifications and amounts are subject to change. Rebate funds are limited. Funding guidelines for these programs may be changed or discontinued at any time without notice. Please check program website for updates at TexasGasService.com/Rebates.

7. Texas Gas Service will apply all uncashed rebate funds to the customer’s account as a credit after the 60-day check-cashing window closes. For more information, please contact Texas Gas Service’s Conservation line at 512-370-8256. Uncashed rebate checks associated with a closed customer account will be escheated to the State of Texas at http://comptroller.texas.gov/up.

8. This Agreement constitutes and represents the complete and entire agreement between the customer and Texas Gas Service with respect to the subject matter contained herein, and supersedes any prior and contemporaneous agreements, arrangements and understandings of the Parties, whether written or oral, which are hereby terminated and of no further force and effect. The terms of this Agreement may not be altered, modified or supplemented except by a writing signed by each of the Parties.

7. Acceptance of Terms

I hereby certify that all information is accurate, including claims of customer and equipment information. My signature below indicates I have read, understand and agree to all terms and conditions on this application and acknowledge that Texas Gas Service may verify all the information provided.
