Rebate Requirements:

- Incomplete applications may result in prolonged processing or denial.
- The conversion must be performed by an EPA (Environmental Protection Agency) certified dealer or installer currently licensed by the Railroad Commission of Texas.
- All required state and city permits must be obtained or the installation will not be eligible for a rebate.
- The customer is responsible for the full cost of the new qualifying natural gas vehicle or the installation of the natural gas vehicle commercial refueling unit.

Eligibility:

- The rebate is available to active Texas Gas Service commercial accounts within the city limits of Austin, Bee Cave, Cedar Park, Cuero, Dripping Springs, Gonzales, Kyle, Lakeway, Lockhart, Luling, Nixon, Rollingwood, Shiner, Sunset Valley, West Lake Hills and Yoakum with a base gas service rate code of ABIA I/S, AUST I/S, BEEC I/S, CDPK, CUER I/S, DRIP I/S, GONZ I/S, KYLE I/S, LAKE I/S, LOCK I/S, LULI I/S, NIXO I/S, ROLL I/S, SHIN I/S, SUNV I/S, WLHS I/S and YOAK I/S.
- Eligibility can be checked by reviewing the top part of your bill for your RATE CODE. If you still have questions, please contact Texas Gas Service at 512-370-8256 before proceeding with your purchase or installation.
- To be eligible for a rebate, the customer must have an active Texas Gas Service Commercial Rate account and the vehicle must have a valid Caldwell, Dewitt, Gonzales, Hays, Lavaca, Travis or Williamson county registration.

Important Information:

Rebates are limited and issued on a first-come, first-served basis until program funds are depleted. Texas Gas Service encourages each customer to review all program eligibility requirements. Rebate payments will be issued approximately six to eight weeks after approval, subject to availability of program funds.
