

DON'T LET YOUR MONEY GO DOWN THE DRAIN.

If you're a Texas Gas Service Commercial Rate customer, our technicians can install energy- and water-saving upgrades **at no cost to you** to help you save money and energy.

Low-flow aerators reduce water use by approximately **50 percent.**

Energy-efficient showerheads can save over **\$100/year.**

Pre-rinse spray valves can save up to **\$200/year** for each valve installed.

Weatherstripping can save over **\$100/year** per door.

These devices save energy by reducing the need to heat water, so your business or facility must use a natural gas water heater to be eligible.

GET FREE UPGRADES FOR YOUR BUSINESS TODAY.

For more information about this and other Commercial Rate rebate programs (see reverse), email EnergyEfficiency@TexasGasService.com or call 512-370-8256.
