- To check your rebate eligibility, check the top part of your bill for your RATE CODE. If you still have questions, please contact Texas Gas Service at 956-444-3910 before proceeding with your purchase or installation.
- Texas Gas Service may require a visual inspection of the natural gas dryer prior to releasing rebate payment.
- To be eligible for a rebate, the builder must have established a Texas Gas Service account in the builder's name at the installation address.
- Customers are eligible for the natural gas dryer rebate once every three years. Texas Gas Service will reference the customer's last recorded natural gas dryer rebate to determine eligibility.

Important Information:

Rebates are limited and issued on a first-come, first-served basis until program funds are depleted.

Texas Gas Service encourages each customer to review all program eligibility requirements. Rebate checks will be mailed approximately six to eight weeks after approval, subject to availability of program funds.
