

Fluffy Friends

How-To Series

The Dog

You'll need:

- 1 hand towel
- 1 washcloth
- 1 rubber band
- 2 googly eyes
- 1 black pom-pom
- 1 piece of pink paper or felt

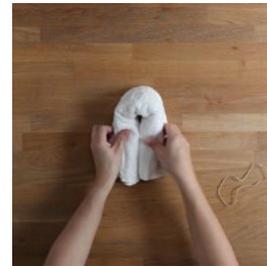

Step 1
Lay the hand towel flat.

Step 2
Roll opposite sides inward, meeting in the center.

Step 3
Flip over and turn 90 degrees.

Step 4
Fold in half with rolled side facing inward. Grab a rubber band.

Step 5
Wrap the rubber band around the folded edge and spread the rolled ends apart to create four "legs".

Step 6
Set the hand towel aside and lay the washcloth flat.

Step 7
Fold in half by bringing the bottom upward.

Step 8
Fold in half from the top, leaving about 1 inch difference from the bottom edges.

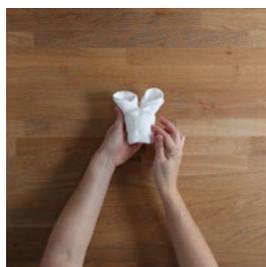

Step 9
Flip over vertically, and fold down the extra inch from the top edge toward the center.

Step 10
Flip over vertically and fold the top corners down and inward as shown.

Step 11
Roll each side inward toward the center...

Step 12
... creating a head shape with two pointy ears.

Step 13
Stack the washcloth on top of the hand towel.

Step 14
Add eyes, a nose and tongue and enjoy your fluffy friend!

Natural gas clothes dryers dry towels twice as fast as electric models. So you get to warm and fluffy faster.
