

**TEXAS GAS SERVICE COMPANY NOTICE OF INTERIM RATE ADJUSTMENT**  
**Borger Skellytown Service Area Incorporated and Environs IRA filed August 28, 2020**

Texas Gas Service Company, a Division of ONE Gas, Inc. ("Company"), hereby gives notice to the public that on August 28, 2020, the Company filed with the Railroad Commission of Texas and the regulatory authorities with original jurisdiction over the incorporated areas of the Borger Skellytown Service Area ("BSSA") its 2018 Interim Rate Adjustment ("IRA") filing for gas services provided to approximately 5,018 residential, 486 commercial, 11 public authority, and 42 school and municipal customers within the incorporated and environs areas of the Company's BSSA. The 2018 IRA filing will increase rates for all customers in the BSSA which includes the incorporated and environs areas of Borger and Skellytown, Texas. The effective date of the proposed change to rates is October 27, 2020.

The IRA filing is made pursuant to Tex. Util. Code Ann. §104.301. The interim rate adjustment will allow the Company to recover the incremental cost of its new investment made in the BSSA for the twelve-month period ending December 31, 2018. The Company expects that its revenues from the BSSA incorporated and environs customers will increase by approximately \$47,623 as a result of this change. In accordance with Tex. Util. Code Ann. § 104.101, the increase constitutes a major change in the Company's rates because the proposed changes will increase the total aggregate revenues of the Company's BSSA by more than two and one-half percent.

The 2018 IRA filing will increase the monthly average bill for all customers within the incorporated and environs areas of the Company's BSSA. The average monthly increase that each customer class will experience, excluding revenue-related fees and taxes, is shown in the table below.
